Investing for Success

Under this agreement for 2017 WoodLinks will receive $265 275

This funding will be used to

- Increase NAPLAN reading targets: Year 3 NMS 90% U2B 35%
  Year 5 NMS 95% U2B 30%

Our initiatives include

- Continue to provide focussed and intensive teaching of reading for all students through a sharp narrow approach to the WoodLinks 4 Reads Model.
- Develop capacity of support staff, including teacher aides to work with teachers to provide an explicit reading approach for every student.
- Continue to develop an expert teaching team in reading through a focussed mentor and coaching program.
- Continue to develop teacher capacity in the analysis and discussion of data through a case management approach (attendance, whole school testing, NAPLAN, Australian Curriculum testing) to inform the teaching of reading and every student, everyday succeeding.
- Continue to develop professional learning communities of teachers and support staff to share and evaluate the teaching of reading to improve student outcomes.

Our school will improve student outcomes by

Strategy	Budget
• Providing teacher aide support to ensure explicit teaching focus in Guided Reading	$90 000
• Providing professional development for all staff focussed on the elements of the WoodLinks Reading Program – Guided, Shared, Modelled and Independent reading.	$49,065
• Providing coaching and analysis of data, through increasing Master Teacher allocation to support the explicit teaching of reading across the school.	$72 000
• Providing support for teachers to analysis and discuss data (eg Early Start, Whole school testing, NAPLAN)	$11,000
• Providing additional speech support for students in prep	$13 000
• Providing access for prep students to have their hearing tested	$ 1 650
• Providing time for collaborative learning and planning for year level teams and co-ordinators	$28 560
