

## WoodLinks Festival

*The WoodLinks Festival is an annual celebration for the school community. It takes place in the last two weeks of the school year (dates will be updated on the website calendar). This event has grown every year to become more exciting and engaging for family members of all ages.*

*Join the crowds making their way to the performance arena to view their children's' performances. Every year level is scheduled to perform throughout the afternoon and evening. Between the performances families can enjoy the rides, side show and stalls. The festival food area is always popular. Families choose between the P&L BBQ, Coffee Shop, Snow Cones & Popcorn and many other sweets.*

*Don't forget to check the Dunk Tank Schedule and take the chance to dunk your child's teacher!*
